## Experience

**Oct/16 - present**

### Freelance designer

Helping startups and small businesses by providing various design services ranging from: Branding, web design, graphic design and social media marketing.

**Aug/17 - Dec/17**

### Internship - UX/UI designer

#### Bitware technologies, Arnhem

As an intern I was responsible for creating UX deliverables, conducting user research and designing user interfaces for various client projects.

**May/17 - Sep/17**

### Graphic designer

#### InnStijl, Arnhem

As a designer I was responsible for designing merchandise and prints, as well as help with the printing and production of the products.

**Apr/17 - Jun/17**

### Sketching tutor

#### University of technology, Eindhoven

Assistant during the course "exploratory sketching". My main responsibility was to give feedback on product sketches of Industrial design students.
